In response to any violation of the rules, regulations, policies and procedures specified herein, the District shall follow the process outlined below for suspension or termination of a Member's and/or any family member's or guest's privileges to use the Club facilities:

A. First Offense – Issuance of either a verbal or a written warning by Club staff of policy violations. After the initial verbal or written warning, a follow-up written summary by the Club Manager or other designee of the District shall be transmitted to the District office. The summary shall describe the alleged offense in sufficient detail and shall also state whether the matter is considered to have been resolved at the time of the warning. After the time of such transmittal, the summary shall be reviewed by the District Chairman, or his or her designee, to determine what, if any, additional action shall be taken. The District Chairman or such designee may make such investigation or inquiry as may be necessary to determine any further course of action, including efforts to resolve the matter through informal means. At the discretion of the

District Chairman or such designee, the matter may be considered settled at that time, or further action may be required. The District Chairman, or his or her designee, may at that time determine to deliver a written warning (a "Notice of First Offense"), which shall be sent by such designee or the District Manager by certified mail to the resident's mailing address on file. (The Notice of First Offense may not necessarily occur immediately at the time of the violation, due to frequent, past instances of patrons' refusal to provide their name or contact information to Club Staff.) The Notice of First Offense shall have a term of sixty (60) days. However, if the District Chairman or his or her designee believes that a longer term is warranted, the matter may be referred to the Board of Supervisors, which may, by action taken at a Board meeting, elect for the Notice of First Offense to have a longer term. Notwithstanding the foregoing, if the First Offense falls within the scope of conduct described above under Section 2, "Expulsion," no warning shall be necessary prior to contacting the Sheriff's Department and issuing the trespass notice described above.

B. Second Offense – In the event that a second violation of the rules regulations and procedures set forth herein occurs during the effective term of an existing Notice of First Offense, or in the event that more than one Notice of First Offense has been delivered to the offender during the twelve (12) month period immediately preceding the offense, the offender shall be subject to suspension of all Club privileges by District Manager or the District Board of Supervisors until further notice, for a period of up to ninety (90) days. Again, confirmation of this action shall be sent by certified mail to the resident. A written report shall be provided by the General Manager to the District Manager, and a final decision relating to the term of suspension of privileges shall be made by the District Board of Supervisors either within three (3) months of the incident or by the next District Board of Supervisors meeting, whichever comes first.

C. Third Offense – Automatic suspension of all Club privileges for a minimum of ninety (90) days, with confirmation sent to the resident by certified mail. At the next District Board of Supervisors meeting, a written account of all previous offenses shall be submitted by the Club Manager, Field Supervisor or District Manager and shall be reviewed by the District Board of Supervisors, with possible suspension of privileges beyond ninety (90) days, including possible termination of the Member's and/or any family member's or guest's privileges for one (1) or more years.

Note 1: Should a Member and/or any family member or guest of a Member ignore or otherwise violate his or her suspension of privileges by such behavior as continuing to attempt to use the Club facilities, Staff has the authority to call the Sheriff's deputy to report a trespass upon the District's premises.

Note 2: Adherence to the above procedures for suspension and/or termination of Club privileges has no bearing whatsoever on whether a Member and/or any family member or guest of a Member may be physically removed from District premises, as described previously.

Upon the taking of action by the Board of Supervisors regarding the suspension or expulsion of a person from the use of the Club facilities, the District Manager shall provide notice, by certified

mail, of the Board's determination, at the most recent address provided by such person in the District's records. Within fifteen (15) days from receipt of such notice, the person having been suspended or expelled (the "Affected Person") may request in writing, sent by certified mail to the District Offices, that the District Board of Supervisors conduct a hearing regarding the suspension or expulsion. The right to a hearing, the requirement of written notice and the address to which such notice is to be sent, shall be clearly set forth in the District Manager's notice.

If the Affected Person requests a hearing, the District Board of Supervisors shall set a date and time, not later than ninety (90) days after the written request and shall conduct a hearing regarding its decision to suspend or expel the person from the Club facilities. The District Manager shall give written notice, by certified mail, of the date and time of the hearing. At such hearing:

The Affected Person shall have the right:

- to counsel of his/her own choice;
- to hear or read a full report of testimony of witnesses;
- to confront and cross-examine witnesses who appear in person at the hearing;
- to present his or her own witnesses;
- to testify in his or her own behalf and to give reasons for his or her conduct; and
- to a fair and impartial decision based on substantial evidence.

The District shall keep a record of the proceedings by tape recording or court reporter, at its option. However, if anyone chooses to appeal any decision of the District Board of Supervisors with respect to any matter considered at the hearing, such person will need a record of the proceedings and should accordingly ensure that a verbatim record of the proceedings is made which includes the testimony and evidence upon which such appeal is to be based.

The conduct of the hearing shall proceed generally in accordance with the Florida Rules of Civil Procedure and Florida Evidence Code, except that the formality of the proceedings shall not be as great as that of a court proceeding.

At the conclusion of the hearing, the District's Board of Supervisors shall, by majority vote, determine whether to uphold or modify its prior action. The Board's actions shall be read into the record at the hearing and shall include findings of fact supporting the action.

SECTION 5. CONSENT TO VIDEO OR AUDIO RECORDING

To protect the safety of the District, the Club facilities and their guests and occupants, and to otherwise assist in the administration of these rules, the District may elect, from time to time, to install and operate various forms of video and audio monitoring devices within or upon the District's property. By use of the Club facilities or other District property, each user consents to

the recording and storage of video images or audio recordings by electronic means. The District shall have the right to disregard incident reports which are not filed within thirty (30) days of the occurrence of an injury or alleged violation of these Bylaws & Rules and Regulations, because the delay impairs the ability of the District to review and verify the incident through these electronic means.
